About ELCC 2025

THE MUST-ATTEND EVENT FOR ENERGY BROKERS

ELCC is the essential event for energy brokers, designed to provide exclusive access to the latest industry insights and **valuable networking opportunities**. With a focus on growth and innovation, this year's conference will bring together key decision-makers and thought leaders, offering a platform for collaboration and business development.

This year we're bringing it back to **London**

Bringing together 150–200 top **energy brokers and consultants** from 80–100 firms

Live panel discussions, networking and **exclusive partnership opportunities**
